July 2024

As our 2023-2024 fiscal year comes to a close, we at Springfield On The Move are reflecting on the incredible progress we've made together over the past 12 months. Thanks to the generosity and support of community members like you, Springfield can continue its revitalization journey. We're writing today to share some of our successes and invite you to be part of the exciting work ahead.

Celebrating Our Successes

This year, your contributions helped us complete several projects including but not limited to:

- **Annual Downtown Beautification:** The Alan R. Woodbury Courtyard was dedicated to Alan in October 2023 and our volunteers continue with the work to make it an attractive and welcome centerpiece in our downtown area. The Comtu Cascade Park continues to draw people to enjoy our beautiful water falls and the Black River and our volunteers are instrumental in helping the Town of Springfield maintain and improve it.
- **Community Events:** We hosted over 19 community events including: the inaugural "Springfield Street Fest" and its spoof event the "Zero K Donut Dash", the third season of "Concerts at the Comtu", and our first collaboration with SAPA-TV which brought back roller skating to Springfield with "Rollin' On The River" at the parking garage at One Hundred River Street.
- **Additional Collaborations:** We feel fortunate to work with so many great people and organizations including the Springfield Housing Authority to reinstall the

alleyway artwork that had been removed in 2020, the Town of Springfield to complete Phase I of the Wayfinding Project, and the River Valley Tech Center Horticulture students to clean up and mulch the Paul Putnam Park.

Overall, our events bring hundreds of people to our Designated Downtown area and, in turn, helps boost our small business' economy. These achievements are more than just improvements to our town - they are a testament to what we can accomplish when we work together.

We Need Your Help

To maintain our current successes and bring future ambitious plans to life, we need your continued support. Today, we ask you to consider making a donation to Springfield On The Move. Your gift will directly fund Designated Downtown projects and programs that make Springfield a better place to live, work, and raise a family.

No matter the size of your donation, your generosity will have a lasting impact on our community.

With Gratitude,

Christian Craig, *President*

Jessica Martin, *Executive Director*
